CONTRACT COMPLIANCE MONITORING REVIEW
FISCAL YEAR 2013-2014**

SCOPE OF REVIEW

The following report is based on a "point in time" monitoring visit. This compliance report addressed findings noted during the April 2014 review. The purpose of this review was to assess West Covina Foster Family Agency d.b.a. Homes of Hope's (the Group Home) compliance with its County contract and State regulations and included a review of the Group Home program statement, as well as internal administrative policies and procedures. The monitoring review covered the following 10 areas:

- Licensure/Contract Requirements;
- Facility and Environment;
- Maintenance of Required Documentation and Service Delivery;
- Educational and Workforce Readiness;
- Health and Medical Needs;
- Psychotropic Medication;
- Personal Rights and Social Emotional Well-Being;
- Personal Needs/Survival and Economic Well-Being;
- Discharged Children; and
- Personnel Records.

For the purpose of this review, four placed children were selected for the sample. The Contracts Administration Division (CAD) interviewed each child and reviewed their case files to assess the care and services they received. Additionally, three discharged children's files were reviewed to assess the Group Home's compliance with permanency efforts. At the time of the review, two sampled children were prescribed psychotropic medication. Their case files were reviewed to assess for timeliness of Psychotropic Medication Authorizations and to confirm the required documentation of psychiatric monitoring.

CAD reviewed all Group Home staff files for compliance with Title 22 Regulations and County contract requirements and a site visit was conducted to assess the provision of quality of care and supervision.

CONTRACTUAL COMPLIANCE

CAD found no areas out of compliance.
